Mr. James Semler
Renaissance Ballroom
New York City

Dear Semler:

I am sending you under separate cover, a small cut of the ball club. It is just the right size to use on a program. There are several guys there who are not with us any more, but I think the pictures are so small, I do, not think any one will be able to make them out. If you think there have been too many changes, do not use it.

Directions to Ruppert Stadium from New York City. Take Holland Tunnel Route 25(Pulaski Highway) straight over the Skyway. The second exit to Newark is down the center of the ramp. The ball park is right there. You can see the lights from the highway, on your left. The first exit to Newark is on the right hand side of the road. Pass that by and proceed to the next Exit, down the center, turn left, the ball park right there.

I have been invited to a dinner at Canada Lees the same day of the dance, so I will be able to kill two birds with one stone. Thanks for the tickets and the box. I hope the affair will be a huge success.

Very Truly Yours
